PARENT AGREEMENT

I understand that I have the obligation to pay the stated tuition. If there is financial need, I will apply for tuition aid. If there is still a tuition balance due at the end of the school year, and I have not applied for tuition aid or set up a repayment plan, re-enrollment **will not** be allowed for the following year.

If there is a tuition balance due at the end of the school year and my child is in Grade 8 or not returning to First Lutheran School, I will still be responsible for the amount due. If a repayment schedule is not set up or the balance is not paid within 60 days, legal action may be taken.

Prior to the first day of school, the parent or legal guardian needs to have met with the Business Manager to develop a payment plan for tuition for that academic year. At a minimum, half of the tuition must be paid by December 21, 2024. The remainder must be paid by the end of the third trimester of the current academic year.
